(d) whether Government propose to rehabilitate the beggars; and

(e) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF SOCIAL JUSTICE AND EMPOWERMENT (SHRIMATI MANEKA GANDHI): (a) and (b) Yes, Sir.

(c) The Govt. of Delhi is implementing the Bombay Prevention of Begging Act, 1959. Special squads have been constituted by the Deptt. of Social Welfare to apprehend the beggars. Police officials are also vested with the power under Section 4 of the Act for apprehension of the beggars. The beggars are produced before the Special Court which may sentence them for a period of 1 to 3 years. However, Delhi being a metropolitan city attracts a large number of beggars from other states like Bihar, UP, W. Bengal, Orissa & northern states.

(d) Yes, Sir.

(e) On commitment, the beggars are sent to various beggars homes located in different part of Delhi after their classification based on age, sex, physical condition etc. At present, 11 beggar homes are being run by the Deptt. of Social Welfare besides one Reception-cum-Classification Centre. The total capacity of the 11 beggars homes is 2000 approx. In these institutions the beggars are provided with the facilities of boarding, lodging, medical care, recreation facilities and vocational training in different trades such as soap and detergent making, cutting and tailoring, weaving, laundry, printing, candle making. The facilities of counselling is also available. The idea behind this vocational training and counselling is to wean them away from the habit of begging and enable them to earn their livelihood so that they can become self reliant and confident after they are discharged from the institution.
